UNIVERSITY OF NOTRE DAME
MISSION STATEMENT

The University of Notre Dame is a Catholic academic community of higher learning, animated from its origins by the Congregation of Holy Cross. The University is dedicated to the pursuit and sharing of truth for its own sake. As a Catholic university, one of its distinctive goals is to provide a forum where, through free inquiry and open discussion, the various lines of Catholic thought may intersect with all the forms of knowledge found in the arts, sciences, professions, and every other area of human scholarship and creativity.

The University prides itself on being an environment of teaching and learning that fosters the development in its students of those disciplined habits of mind, body, and spirit that characterize educated, skilled, and free human beings. In addition, the University seeks to cultivate in its students not only an appreciation for the great achievements of human beings but also a disciplined sensibility to the poverty, injustice and oppression that burden the lives of so many. The aim is to create a sense of human solidarity and concern for the common good that will bear fruit as learning becomes service to justice.

THE OFFICE OF PRE-COLLEGE PROGRAMS

In such cases, students are required to submit a “Request for Absence” form in advance, which needs to be approved and signed by the Interim Director or Interim Operations Director.

Parents, please contact the Office of Pre-College Programs if you must see your child.

Students are not allowed to enter a residence hall of the opposite sex.

No visitors are allowed in the residence halls.

EXPECTATIONS

Students and staff members are a team working together to create an inclusive learning environment. We encourage residents to build community by interacting with others in a positive and supportive manner. It is imperative that students show mutual respect and consideration for one another. The freedom of an individual or group to exercise their privileges stops when that exercise infringes upon the rights of others.

AS A MEMBER OF THE NOTRE DAME COMMUNITY, THE FOLLOWING STANDARDS OF BEHAVIOR ARE EXPECTED:

• Respect for the law and local regulations.
• Observance of applicable University and program standards of conduct and policies, including but not limited to those found at http://bit.ly/ndprecollstandards.
• Respect for public and private property rights.

All students are entitled to a positive and meaningful experience at Notre Dame. Any type of disrespectful, exclusionary, discriminatory, threatening, aggressive, or abusive behavior is strictly prohibited on any communication platform, e.g. verbal, social media, physical conduct and relations, and may be grounds for removal from the program. If you witness a violation of any applicable standards, please report it to program staff immediately so it may be addressed appropriately.
NOTRE DAME SUMMER RESIDENT REGULATIONS

The Office of Pre-College Programs utilizes Resident Counselors who will live in the Residence Halls with the Pre-College students, oversee the general conduct of Residence Halls, and provide a safe and supportive living environment.

QUIET HOURS: Quiet hours begin at 10 p.m. each night and each student has a right to an atmosphere conducive to sleep during this time. Activities that violate quiet hours include speaking loudly, yelling, talking on cell phones in hallways, gatherings that can be heard in the hallway, loud music, or any other activity that disturbs others. Residents should be courteous of each other’s needs and must immediately cease any noise or activity that is disturbing others regardless of the time.

CURFEW: All Pre-College students must be in their assigned residence hall by 11:00 p.m. Sunday through Thursday. On Friday and Saturday nights, students must be in their assigned residence hall by 12:00 a.m.

NO SMOKING: This includes vaping, juling, use of e-cigarettes, smokeless tobacco, etc.

CORRIDORS: Athletic activity of any kind is absolutely prohibited in the corridors and hallways.

PERSONAL CONDUCT: Notre Dame is a Catholic university and expects students will exemplify the standards of Christian morality. Any activity that offends these standards, including any sexual activity, will lead to dismissal.

ROOM ENTRY: The University reserves the right to enter rooms without a search warrant for purposes of maintenance, security, discipline, and the orderly operation of an educational institution.

REFRIGERATORS AND ELECTRICAL APPLIANCES: To meet fire, health, and safety requirements, the University does not allow the use of electrical appliances in students’ rooms. This includes hot plates, microwaves, toasters, and toaster ovens.

NO POSSESSION OR USE OF ALCOHOL: Possession or use of alcohol is strictly prohibited, and is grounds for expulsion.

SIGN IN/SIGN OUT: For reasons of safety and notification in case of any emergency, all students must coordinate with their Resident Counselor if they wish to leave the residence hall outside of scheduled activities.

For more comprehensive rules applicable to Pre-College students, refer to the Information for Summer Participants Living on Campus.
KEYS & ID CARDS

Students are provided with dorm room keys and Notre Dame ID cards for access to their residence hall, the dining hall, and athletic facilities. Keys and ID cards are each resident’s responsibility. Lost keys and ID cards compromise the safety of all residents and should be reported immediately to the Pre-College staff. There is a $100 fine for lost keys and a $30 fine for lost ID cards.

MEALS

Meals are served in the South Dining Hall, which students can access with their Notre Dame ID cards. Students are expected to eat three full meals each day, as proper eating habits and nutrition are necessary for your general health and well-being. No hats are to be worn inside the dining halls. Shirts and footwear are required. Meals are subject to change for scheduled activities.

STUDENT HEALTH

After students have confirmed their participation in the program, they will be required to complete medical forms and provide a copy of their health insurance card. International students will be required to purchase health insurance for the duration of the program. If at any time a student is sick or injured, a Pre-College staff member will be contacted immediately. The student will be accompanied by Pre-College staff to University Health Services, or the staff will call EMS. If it is determined that the student needs medical treatment, they will be transported to a local medical clinic, MedPoint, or an area hospital emergency room. Parents/Legal Guardians are responsible for all healthcare expenses incurred during the program and will be billed for such expenses.

Pre-College staff cannot dispense any medication (prescription or non-prescription) to students.

A current copy of medical forms and signed waiver and release forms must be on file with the Office of Pre-College Programs. If a student has an allergy, has mobility limitations, or has any type of health condition (e.g. diabetes) or significant dietary restriction, the Office of Pre-College Programs must be notified at least 30 days prior to the program. Please inform the Office of Pre-College Programs immediately.

SUMMER RESIDENT COUNSELORS

The Resident Counselors are a diverse team of current and former Notre Dame undergraduate and graduate students. The team is eager to share their Notre Dame experiences with you and to mentor you throughout your own Notre Dame experience. Each of the Resident Counselors has unique strengths and talents that will enhance the experience for all students.

The duties of the Resident Counselors are to assist in recreational, social, and extracurricular activities and assist students with their questions, concerns, and interests. Additionally, Resident Counselors will enforce the rules and regulations of the program and the University. The team will be a valuable resource in exemplifying the importance of residential life.
